*Note: please refer to Chinese learning tips Lesson 8 for more detailed information about the use of “or”.*

## Font Comparison

Here is how the characters look in various commonly used fonts. You will notice some subtle differences. Your computer will probably already contain some of these fonts, so try them out for yourself as you type!

*Note: “ti” as in “Kai ti” means “style” or “font.” Among these fonts, “Song” is the most commonly used printing font. Almost all Chinese books printed in Mainland China use “Song ti.”*
